Subject Installation of an additional telephone in the Municipal Office

SIR,

I have the honour to state that the telephone No 2109 installed in the booth of the Reading Room hall of the Municipal Office was shifted to the Personal Assistant's table temporarily as there was an urgent necessity to instal a phone on his table on account of numerous calls to him As much difficulty was felt without a telephone in the public booth, the Municipal Council at their meeting held on 16-7-1945 (copy enclosed) resolved that a telephone be installed separately in the booth of the Reading Room hall of the Municipal Offices for the use of the public The Superintendent, Power & Lighting, Bangalore was addressed accordingly and requested to instal an additional telephone But the additional telephone No AT 2723 sanctioned to be installed in the general booth was installed in the Personal Assistant's room (as desired) and telephone No 2109 shifted back to the general booth A sum of Rs 10/- calimed by the Superintendent Power & Lighting, being the installation charges has also been paid The Superintendent, Power & Lighting has now sent a bill for Rs 135/- being the Automatic telephone subscription charges for the year 1946-47 towards phone No 2723 The payment of this bill has been objected to in audit on the ground that
